*A note
from CS Music*

Welcome to the 2020 CS Music ONLINE Convention.

What a wild, crazy, and unpredictable time of the world we live in! About 10 weeks ago we had just booked our staff airline tickets to Washington, D.C., excited to see so many of you, our friends and colleagues. Then, as you know, the world changed. We were all forced to deal with a sudden new reality.

Faced with uncertainty and not a lot of great options, we decided to forge ahead with this, the Online Convention, Competition, and College Expo. And thanks to collaborative assistance from some amazing university faculty, opera and Broadway professionals, and, of course, modern technology, here we are:

1,600 competition participants

97 online masterclasses and webinars

55 virtual College Expo sessions

The strength and bond of this community has truly been inspiring.

I hope you take advantage of the online classes and networking opportunities. Go to as many Zoom meetings as you can—and whatever you miss you can watch online after in our CS Music video library.

Be sure to join us on Saturday, May 30, at 8 p.m. Eastern as we announce the winners of the Competition in a live Convention Finale Zoom meeting.

Until then, have a great week and enjoy the fantastic classes and Expo sessions!

- 30-day free trials on all unlimited subscriptions for new subscribers
- Free unlimited access to over 550 vocal exercises
- Hiring additional collaborative pianists to build the library more quickly
- Accommodating requests for new repertoire and additional genres

We love seeing, hearing, and sharing what you're singing - #appcompanionist.
